With such an awesome line up of music Wednesday night, you couldn't go wrong wherever you ended up. I hit up the Hump Day Hash featuring [The Autonomics](#) at the new Century Center, and I've got to say seeing the venue, it's got me pretty stoked for [Bend Roots](#)

The Autonomics were spot on with their indie rock, which they blended with punk, jazz, and country influences. Lead singer Dan Pantenburg has got an insane amount of stage presence and interacted with the crowd very well. The Autonomics are quickly becoming one of my favorite local bands. Catch them while you can. And in the meantime, watch the videos below of their Hump Day performance.

Upcoming Shows:

9pm Thursday, Aug 26. The Summit Saloon and Stage, 125 NW Oregon Ave.

9pm Saturday, Aug 28. JC's Bar and Grill, 642 NW Franklin Ave.

8pm Wednesday, Sep 8. Tower Theatre, 835 NW Wall St. *Opening for [The Thermals](#)

4pm Saturday, Sep 25. Century Center, 1355 SW Commerce St. * [Bend Roots Revival](#)
